CHECK OUT WHAT RUSC Kinship has been up to!

Each month RUSC Kinship organizes group activities for our mentors and mentees to learn new skills through new opportunities and to socialize with each other. Often times, we collaborate with community members, businesses, or organizations to make this happen.

October

We decorated pumpkins!

December

Our mentors and mentees made holiday cards to be given to the residents at West Wind Village in Morris.

LUNCH Buddies

CHOKIO-ALBERTA SCHOOL

Lunch Buddies participated at the Chokio-Alberta School this year, and we couldn't have been more excited to be back!

January

The Prairie Renaissance Cultural Alliance (PRCA) taught us how to pour paint! We made a mess, but that's okay because it is art!

February

Our matches learned how to finger knit blankets to help keep us warm. Thank you Lisa for sharing your hobby with us, we had a blast!

GRADUATING MENTEE

For the first time RUSC Kinship has a mentee who is turning 18 while being matched in our program.

We wish you all the best as you start your adulting adventure, and we hope that the relationship you have built through RUSC will be carried through!

CONGRATULATIONS!
